To the Safety Patrol Applicant:

You have indicated a desire to serve with the AYA SAFETY PATROLS and you have earned the recommendation of your teachers. Before you make a final decision for a patrol position, I would like to call some facts and responsibilities to your attention.

1. The patrol’s job is an EVERY DAY or 2 days a week responsibility. A patrol is expected to serve the entire year.
2. School patrols are expected to be at school no later than **7:45** in the morning and to stay after school until **3:50 pm on Mondays – Thursdays and 2:00 pm on Fridays**.
3. School patrols are expected to be on post on hot days, cold days, and except for extreme conditions-rainy days.
4. Bus patrols are expected to assist the bus driver in maintaining order and enforcing the bus safety rules. They should report any serious rule infractions to the bus driver and the Safety Patrol Sponsor at school.
5. All patrols must set an example by obeying the school rules if he/she expects other students to listen when he/she reminds them of the rules.
6. The patrol uniform includes the belt and badge-both are provided by the school. The patrol is expected to be in school uniform while on duty. The badge and belt must be returned at the end of the school year or if you leave the safety patrol team before the end of the school year.
7. The cost of \$10.00 will be billed to your account if you leave the duties before the end of the semester. Students who remain with the patrol duties until the end of the year will earn the right to keep the belt as a token of their services and our appreciation for their time.
8. A patrol may be **suspended or discharged** from the patrol staff by the director for the following reasons:
 - a. Inability to perform satisfactorily on assigned patrol posts.
 - b. Excessive absences or tardiness.
 - c. Receiving any behavior indicators on their report card.
 - d. Poor academic performance
9. Patrols in grades 9 through 12 can earn Community Service Hours for their time served as a safety patrol. It is the student’s responsibility to document their time on the Community Service Form and get it approved by the Director.
10. At all times safety patrol participant will be working under the guidance of school personnel on duty.
