

American Youth Academy

Fully Accredited by FCIS, FKC and SACS-CASI

Assalamu Alaikum,

I hope everyone is doing well Insha'Allah and may Allah protect us from illness or harm. Due to the coronavirus, The National School Lunch Program informed us that all students up to 18 years of age are eligible to receive free breakfast and lunch in many counties in your district. Public schools in the county are offering free breakfast and lunch to students. Students should be present with their parents and bring their student ID to receive the meals. For more details and to see which schools are serving meals in your area, please click on the links below.

Please share the link below with parents/ guardians for resources on what locations will be serving meals in their area. Some mobile routes will also be available; as indicated on the website below.

Please note: Meals will only be served during unanticipated closures. If the school was scheduled for spring break, meals will not be served during this time.
