

American Youth Academy

Fully Accredited by FCIS, FKC and SACS-CASI

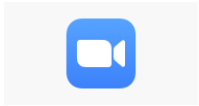

AssalamAlaikum AYA Families,

As you may have heard earlier yesterday, Governor Ron DeSantis has ordered all schools in Florida to be closed until April 15th due to concerns about coronavirus. As such, AYA school closing will be extended to April 15th. We are waiting for further direction from the Florida Department of Education as well as FCIS, and will communicate that information to you, when we know more.

As for your student's education, we are pleased to share with you the online platform called **zoom**, that will be used by AYA to facilitate teacher instruction. Please do the following to help you and your child prepare:

1) A survey will be shared with you asking you to respond to a few questions. The survey will take no longer than 2 minutes. The answers will help us to better organize the online platform and make sure that ALL families have access to online learning. We ask EACH family to reply, and reply ONCE only.

2) Download the **free zoom** app from the app store, onto your phone and the phones of all students.

We will continue to update you via email and our website with important information. InshaAllah, we will provide further guidance to our parents and students in the coming days. JAZK for your patience and cooperation.

AYA Administration

Farhat Siddiqui
Head of School
