

Drop Off Policy

Arrival:

- Arrival for students begins at 7:30am.
- Parents dropping off their child(ren) must get their temperatures taken upon arrival.
- Parents coming from the front entrance, must make a left at the open gate for temperature checks. Parents coming from the back entrance, must stop in the line to get their temperature checked.
- Everyone in the vehicle must have their temperature checked. Anyone whose temperature reaches above 100.04 degrees must park in the visitor parking to cool off. A second temperature check will be taken after 5 minutes. If the temperature decreases, the parents may drop off their child(ren) at the appropriate drop off areas. If the temperature does not decrease, the family may be asked to leave.

Drop Off:

- After the temperatures have been taken, parents will drop off their children at the appropriate drop off areas.
- PK3 and PK4 parents will park by the Masjid and walk their child to their class.
- KG and 1st Grade students will be dropped off at the C Building.
- 2nd to 5th Grade students will be dropped off at the A Building.
- Middle school and High School students will be dropped off according to their first period classes.

Student Drivers:

- Students who are driving also must follow the arrival procedure of getting their temperature checked.
- Students who have a high temperature must wait in the visitor parking lot until their temperature decreases. If the temperature decreases, they may park in the designated parking for students and report to class.
- Students who still have a high temperature, must be sent home.
