

Florida **VPK**

Enrolling your 4-year-old
just got **easier!**

BEGINNING

MARCH 1, 2015

Electronic/Online Enrollment **ONLY!**

Parents, enrolling your 4-year-old in Florida's **FREE** Voluntary Prekindergarten Program (VPK) is as close as your nearest secure computer or tablet! All you need is a working e-mail address, and an ability to scan and upload proof of your child's date of birth and Florida residency. Once approved, you'll just print out your VPK Certificate of Eligibility and take it to your chosen approved VPK provider. In Hillsborough, go to the link below. Those without a scanner and/or computer access may visit a VPK registration location to complete an electronic application.
